Disclosure | It is the policy of the CAMC Health Education and Research Institute that any faculty (speaker) who makes a presentation at a program designated for AMA Physician's Recognition Award (PRA) Category I or II must disclose and financial interest or other relationship (i.e. spouses/partners, grants, research support, consultant honoraria) that faculty member has with the manufacturer(s) of any commercial product(s) that may be disclosed in the educational presentation. Program Planning Committee Members must also disclose any financial interest or relationship with commercial industry that may influence their participation in this conference.

Accreditation | In support of improving patient care, this activity has been planned and implemented by The West Virginia Chapter of the American Academy of Pediatrics and CAMC Health Education and Research Institute. CAMC Health Education and Research Institute is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians | CAMC Health Education and Research Institute's CME program is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. CAMC Health Education and Research Institute designates this live activity for a maximum of 8 AMA PRA Category I credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in this activity.

Nurses | The CAMC Health Education and Research Institute is an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This offering has been approved for 8 contact hours (JA0026-18-17-279) Expiration date is 2 years from the course date.

How do I get my CME? You will be given access to a printable or paper certificate at the event. Following the event, your information will be provided to CAMC Institute and CAMC Institute will upload your learning credit into an electronic registration system. You can access your transcript at any time at <http://camcinstitute.org/conference/registration> Please provide your email address so that CAMC Institute can send you your login information.
